Launch plan

Ship the **public beta** on *October 12*, see the post at https://notsy.app/beta. This paragraph is long enough to wrap onto a second line on the page, so the converter has to join the lines it was broken into back into one paragraph.

What ships

- Live Markdown
- Pictures

1. Write the notes
2. Record the video

Second page follows

The second page has its own paragraph, and the converter keeps the pages in order.
